

 upCentric™

Sit down. Stand up.  
A healthy way to work.

upCentric 3-Leg in Black

upCentric 2-Leg in Silver

ergoCentric®  
ergocentric.com

Sturdy design. Easy to assemble. An affordable solution.

Designing an ergonomic workplace with upCentric™ height adjustable tables increases employee productivity, allowing workers to easily alternate between seated and standing positions throughout the work day to reduce back pain, reduce stress and to improve circulation throughout the body.

The sturdy upCentric open frame design accommodates a variety of different tabletop widths and provides optimal knee clearance, space for storage and minimalist aesthetics to complement any workspace.
